and
BRSU, St. Augustin, Germany**

Application Form

**Deadline for application submission: March 25, 2015, 4:00pm
(Expect to be informed of approval by March 31, 2015)**

Please hand in the **completed application form** to the EECS Staff in LAS 1003 to **the attention of George Turlakis**.

The following course is ***confirmed*** and already appears on the SU15 Schedule. Enrolment is *by permission*.

- **EECS 3461 3.0** User Interfaces (instructor **Dr. Constantine Stephanidis (ICS/FORTH)**, Heraklion, Crete, Greece). The course will run in Term D2, from July 6 to end of July.

The following course is ***not yet*** confirmed. Once it becomes so, enrolment will be *by permission*.

- **EECS 4421 3.0** Intro. to Robotics (instructor **Dr. Paul Gerhard Ploeger (BRSU)**, St. Augustin, Germany). If/when confirmed, the course will run in Term J2, from June 1 to end of June.

If your application to enrol in either course is accepted, then you will be contacted by email and will be given permission to use **REM** and enrol in the course(s).

After approval of your application you will also receive an information package that will assist you in making travel arrangements and applying for financial support. Support will be from York International and Lassonde School of Engineering. We expect to hold a “**pre-departure information meeting**” in April (TBA).
