

## 2016 Summer Schools in Computer Science

Sponsored by

ICS/FORTH and the Department of Computer Science, Heraklion  
and  
BRSU, St. Augustin, Germany

### Application Form

Deadline for application submission: **March 11, 2016, 4:00pm**  
(Expect to be informed [**individual email**] of final approval by March 18, 2016)

Please hand in the **completed** application form to the Staff in LAS 1012M to **the attention of [George Tourlakis](#)**.

The following courses are ***confirmed*** and already appear on the SU16 Schedule.  
**Enrolment is by *Permission***:

- **EECS 4313 3.0** Software Engineering Testing (instructor Professor Sascha Alda (BRSU), St. Augustin, Germany). *The course will run in York's Term B, from May 15 to end of June.*
- **EECS 4491 3.0** Computer Games: Simulation and Animation (instructor Professor André Hinkenjann (BRSU), St. Augustin, Germany). *The course will run in York's Term B, from May 15 to end of June.*
- **EECS 3461 3.0** User Interfaces (instructor Professor Constantine Stephanidis (ICS/FORTH), Heraklion, Crete, Greece). *The course will run in York's Term D2, from July 4 to end of July (classes end July 21).*

If your application to enrol in any of these course is accepted, then you will be contacted by email and will be given permission to use **REM** and enrol in the course(s).

After approval of your application you will also receive an information package that will assist you in making travel arrangements and applying for financial support. Support will be from York International and Lassonde School of Engineering. We expect to hold a “**pre-departure information meeting**” in April (TBA).
