

## 2017 Summer Schools in Computer Science

Sponsored by

ICS/FORTH and the Department of Computer Science, Heraklion  
and  
BRSU, St. Augustin, Germany

### Application Form

Deadline for application submission: **February 28, 2017, 1:00pm**  
(Expect to be informed [**individual email**] of final approval by [March 17, 2017](#))

Please hand in the **completed application form** to the Staff in LAS 1012M to **the attention of [George Turlakis](#)** or better still, email it back to me.

The following courses are ***confirmed*** and already appear on the SU17 Schedule.  
**Enrolment is by *Permission***:

- **EECS 4491 3.0** Computer Games: Simulation and Animation (instructor TBA (BRSU), St. Augustin, Germany). *The course will run in York's Term B, from May 15 to end of June.*
- **EECS 3461 3.0** User Interfaces (instructor Professor Constantine Stephanidis (ICS/FORTH), Heraklion, Crete, Greece). *The course will run in York's Term D2, from July 10 to end of July (classes end July 27).*

If your application to enrol in any of these course is accepted, then you will be contacted by email and will be given permission to use **REM** and enrol in the course(s).

After approval of your application you will also receive an information package that will assist you in making travel arrangements and applying for financial support. Support will be from York International and Lassonde School of Engineering. We expect to hold a "**pre-departure information meeting**", where staff from York International will be present, in **the 2<sup>nd</sup> half of March** (TBA).
