

2020 Summer Schools in Computer Science

Sponsored by

Institute of Computer Science/FORTH, Heraklion

And

H-BRS University, St. Agustin, Germany

Application Form

Deadline for application submission: **February 28, 2020, 1:00pm**

(Expect to be informed [**individual email by me**] of **final approval by March 13, 2020**)

Please hand in the **completed application form** to the Staff in LAS 1012M to **the attention of George Turlakis** or better still, **email PDF back to me.**

The following **two** courses are **confirmed** and are already posted on York's Summer 2020 Offerings page. **Enrolment is by Permission Only:**

- **EECS 3221 3.00** Operating Systems (instructor Professor Ken Kent, H-BRS University, St. Agustin, Germany). **The course will run in York's Term S1, from about Mid May to Mid June.**
- **EECS 3461 3.00** User Interfaces (instructor Professor Constantine Stephanidis (ICS/FORTH), Heraklion, Crete, Greece). **The course will run in York's Term D2, from July 6 to end of July (classes end July 24).**

If your application to enrol is approved, then you will be contacted by email by the Undergraduate Office of EECS and will be given permission to use **REM** and enrol in the course.

After approval of your application you will also receive an **information package** that will assist you in making travel arrangements and applying for financial support. Support will be from York International and Lassonde School of Engineering. We expect to hold a "**pre-departure information meeting**", where staff from York International will be present, in **the 2nd half of March or beginning of April** (TBA by email to you).
